Report on review of interim condensed consolidated financial information

To the board of directors of
Gulf Cable and Electrical Industries Company – KSC
Kuwait

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Gulf Cable and Electrical Industries Company (A Kuwaiti Shareholding Company) and its subsidiary as of 30 June 2011 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the six-month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34, “Interim Financial Reporting”. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34, “Interim Financial Reporting”.

Report on review of other legal and regulatory requirements

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the Company. We further report that, to the best of our knowledge and belief, no violations of the Commercial Companies Law of 1960, or of the articles of association of the Company, as amended, have occurred during the six-month period ended 30 June 2011 that might have had a material effect on the business or financial position of the Company.

Notes to the interim condensed consolidated financial information 30 June 2011 (Unaudited)

1 Incorporation and activities

Gulf Cable and Electrical Industries Company – KSC (“the parent company”) is a registered Kuwaiti shareholding company, which was established on 15 March 1975. Its shares are listed on the Kuwait Stock Exchange.

The address of the parent company’s registered office is PO Box 1196, Safat 13012, State of Kuwait.

The group comprises the parent company and its subsidiary Gulf Cable and Multi Industries Company – JSC, Jordan. The principal activities of the group are the manufacture and supply of cables and related products and the holding of investments

This interim condensed consolidated financial information for the six-month period ended 30 June 2011 was authorised for issue by the parent company’s board of directors on

2 Basis of presentation

The interim condensed consolidated financial information of the group has been prepared in accordance with International Accounting Standard 34, “Interim Financial Reporting”. The accounting policies used in the preparation of the interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements of the group for the year ended 31 December 2010 except for adoption of amendments to certain standards and interpretations discussed below.

The interim condensed consolidated financial information has been presented in Kuwaiti Dinars which is the functional currency of the parent company.

This interim condensed consolidated financial information does not include all information and disclosures required for complete financial statements prepared in accordance with the International Financial Reporting Standards. In the opinion of the management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included.

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements as at and for the year ended 31 December 2010.

Operating results for the six month period ended 30 June 2011 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2011. For further details, refer to the consolidated financial statements and its disclosures for the year ended 31 December 2010.

2 Basis of presentation (continued)

Adoption of amendments to standards and interpretations

The following amendments to certain standards and interpretations relevant to the operations of the group have been adopted by the group in the current period:

<i>Standard or Interpretation</i>	<i>Effective for annual periods beginning</i>
Annual Improvements 2010	1 July 2010 and 1 January 2011
IAS 24 Related Party Disclosures- amendment	1 January 2011

Annual Improvements 2010

The IASB issued in May 2010 Improvements to IFRS. Most of these amendments became effective in annual periods beginning on or after 1 July 2010 and 1 January 2011. The 2010 Improvements amended certain provisions of IFRS 3, clarify presentation of the reconciliation of each of the components of other comprehensive income and clarify certain disclosure requirements for financial instruments. The adoption did not have any impact on the financial position or performance of the group.

IAS 24 Related Party Disclosures (Revised)

The amended standard clarifies the definition of a related party to simplify the identification of such relationships and to eliminate inconsistencies in its application. The revised standard introduces a partial exemption of disclosure requirements for government related entities. The adoption did not have any impact on the financial position or performance of the group.

The following revised standards and interpretations have been issued but not yet effective and have not been adopted by the group in the current period:

<i>Standard or Interpretation</i>	<i>Effective for annual periods beginning</i>
IFRS 7 Financial Instruments: Disclosures - amendment	1 July 2011
IFRS 9 Financial Instruments: Classification and Measurement	1 January 2013
IAS 12 Income Taxes - amendment	1 January 2012

IFRS 7 Financial Instruments: Disclosures

The amendments to IFRS 7 Financial Instruments: Disclosures resulted as a part of comprehensive review of off financial position activities. The amendments will allow users of financial statements to improve their understanding of transfer transactions of financial assets (for example, securitisations), including understanding the possible effects of any risks that may remain with the entity that transferred the assets. The amendments also require additional disclosures if a disproportionate amount of transfer transactions are undertaken around the end of a reporting period. The adoption of this

amendment is not expected to have any significant impact on the financial position or performance of the group.

IFRS 9 Financial Instruments

The IASB aims to replace IAS 39 *Financial Instruments: Recognition and Measurement* in its entirety by the end of 2010, with the replacement standard to be effective for annual periods beginning 1 January 2013. IFRS 9 is the first part of Phase 1 of this project. The main phases are:

- Phase 1: Classification and Measurement
- Phase 2: Impairment methodology
- Phase 3: Hedge accounting

In addition, a separate project is dealing with derecognition.

Although earlier application of this standard is permitted, the Technical Committee of the Ministry of Commerce and Industry of Kuwait decided on 30 December 2009, to postpone this early application till further notice, due to the non-completion of the remaining stages of the standard.

2 Basis of presentation (continued)

IAS 12 Income Taxes

The amendment to IAS 12 provides a practical solution to the issues arising in measurement of deferred tax relating to an asset depending on whether the entity expects to recover the carrying amount of the asset through use or sale. The amendment introduces a presumption that recovery of the carrying amount will, normally be, through sale. As a result of the amendments, SIC-21 Income Taxes—Recovery of Revalued Non-Depreciable Assets would no longer apply to investment properties carried at fair value. The amendment is not relevant to the operations of the group.

3 Basic and diluted earnings per share

Basic and diluted earnings per share are calculated by dividing the profit for the period attributable to the owners of the parent company by the weighted average number of shares as follows:

	Three months ended (Unaudited)		Six months ended (Unaudited)	
	30 June 2011	30 June 2010	30 June 2011	30 June 2010
Profit for the period attributable to the owners of the parent company (KD)	26,534,729	19,092,520	32,419,728	22,069,735
Weighted average number of shares outstanding	209,931,310	209,931,310	209,931,310	209,931,310
